

List of Articles and Media Mentionings

A. Purcell, **Oliver Gutsche: Fermilab joins CERN openlab, works on data reduction project with CMS experiment**, (2017), Article in [CERN openlab News](#), ([Article](#))

M. May, **Oliver Gutsche: A Spark in the dark**, (2017), Article in [ASCR Discovery](#), ([Article](#))

M. May, **Oliver Gutsche: Open-source software for data from high-energy physics**, (2017), Article in [Phys.Org](#), ([Article](#))

K.E. Jones, **Oliver Gutsche: More data, no problem**, (2015), Article in [Symmetry Magazin](#), ([Article](#))

L. Petersen, **Oliver Gutsche: OIST Hosts CHEP 2015**, (2015), Article in [Okinawa Institute of Science and Technology News](#), ([Article](#))

Fermilab, **Profile: Fermilab's Oliver Gutsche keeps LHC community computing**, (2014), Article in [DOE Pulse](#), ([Article](#))

K. Riesselmann, **Oliver Gutsche: New high-speed transatlantic network to benefit science collaborations across the U.S.**, (2014), Article in [Fermilab News](#), ([Article](#))

S. Charley, **Oliver Gutsche: Physicists harness the power of probability**, (2014), Article in [Symmetry Magazin](#), ([Article](#))

R. Wisniewski, **Oliver Gutsche: Data-taking dress rehearsal proves world's largest computing grid is ready for LHC restart**, (2009), Article in [Symmetry Magazin](#), ([Article](#))

R. Carr, **Oliver Gutsche: A solid production demonstration of the CMS role in WLCG**, (2009), Article in [International Science Grid This Week \(now Science Node\)](#), ([Article](#))

C. Buckley, **Oliver Gutsche: Fermilab Postdoc Gets Word out About the Grid**, (2007), Article in [International Science Grid This Week \(now Science Node\)](#), ([Article](#))

K. Yurkewicz, **Oliver Gutsche: Meet the Grid**, (2005), Article in [Symmetry Magazin](#), ([Article](#))
