

Media Mentions of Oliver Gutsche

Oliver Gutsche
October 02, 2026

1. Oliver Gutsche: Fermilab joins CERN openlab, works on data reduction project with CMS experiment

By Andrew Purcell — November 2017 — Article in [CERN openlab News](#), ([Article](#))

2. Oliver Gutsche: A Spark in the dark

By Mike May — October 2017 — Article in [ASCR Discovery](#), ([Article](#))

3. Oliver Gutsche: Open-source software for data from high-energy physics

By Mike May — October 2017 — Article in [Phys.Org](#), ([Article](#))

4. Oliver Gutsche: More data, no problem

By Katie Elyce Jones — July 2015 — Article in [Symmetry Magazin](#), ([Article](#))

5. Oliver Gutsche: OIST Hosts CHEP 2015

By Laura Petersen — April 2015 — Article in [Okinawa Institute of Science and Technology News](#), ([Article](#))

6. Profile: Fermilab's Oliver Gutsche keeps LHC community computing

By Fermilab — November 2014 — Article in [DOE Pulse](#), ([Article](#))

7. Oliver Gutsche: New high-speed transatlantic network to benefit science collaborations across the U.S.

By Kurt Riesselmann — October 2014 — Article in [Fermilab News](#), ([Article](#))

8. Oliver Gutsche: Physicists harness the power of probability

By Sarah Charley — January 2014 — Article in [Symmetry Magazin](#), ([Article](#))

9. Oliver Gutsche: Data-taking dress rehearsal proves world's largest computing grid is ready for LHC restart

By Rhianna Wisniewski — July 2009 — Article in [Symmetry Magazin](#), ([Article](#))

10. Oliver Gutsche: A solid production demonstration of the CMS role in WLCG

By Rachel Carr — July 2009 — Article in [International Science Grid This Week \(now Science Node\)](#), ([Article](#))

11. Oliver Gutsche: Fermilab Postdoc Gets Word out About the Grid

By Christine Buckley — April 2007 — Article in [International Science Grid This Week \(now Science Node\)](#), ([Article](#))

12. Oliver Gutsche: Meet The Grid

By Katie Yurkewicz — November 2005 — Article in [Symmetry Magazin](#), ([Article](#))
